4 Norbert Crescent Toronto Ontario M9C 3J9

Quilt Patis

Quilt Patis are reusable plastic templates developed by Pati Shambaugh to make grandmother's flower garden, baby blocks and six-point star quilts and projects. The templates are reusable with a fast no-ironing technique. Mix diamonds and hexagons to make more designs. See Carol's sample lower left. The single diamonds can be split into two triangles and used in combination with the large hexagons to make multi-colour stars. The double diamonds can be split into four smaller diamonds. Ideal for those long chats, waiting, and travel times. Just have your fabric pieces ready in advance!

Single Diamond

Double Diamond

Large Flower using medium hexagons

Small - 0.5"

Medium - 1"

Large - 1.5"

Hexagons
